Subject: RE: South Bay Sites VI Investigation Update

Here is the April 2013 External Review draft of the VI guidance update.

<http://www.epa.gov/oswer/vaporintrusion/documents/vaporIntrusion-final-guidance-20130411-reviewdraft.pdf>

OWSER had it out for comment and extended the comment period. They are responding to the comments, making changes and working through EPA's review process for guidance. It is not yet scheduled for OMB review.
